

A RDSO APPROVED COMPANY

ABOUT COMPANY

Balabharti Infrastructure Pvt. Ltd. (BIPL) is an ISO 9001:2015 certified & RDSO certified engineering construction company.

The foundation of this company was laid in 2006 by Mr. Rajendra Singh (Civil Engineer, MBM Engineering College, Jodhpur). His passion and vision with unrelenting dedication to build a world class company has propelled BIPL towards its success. Due to the successful completion of an assortment of projects over a decade, the company has been recognized as one of the front-runner in manufacturing of composite steel girders - Bow String, Open web & Box Girders for ROBs, RUBs and FOBs.

In 2017 the company also started fabrication & erection of Pre- Engineered Building Material (PEB) Systems & its sub systems and components.

The manufacturing unit situated at Bagru, (Jaipur- Ajmer highway) **spread over total area of 1,53,000 sq. ft.** with 1,05,000 sq. ft. of shedded area, it is one of the largest in the state of Rajasthan. It is well equipped with a team of experienced engineers and highly skilled workers. **It has a production capacity of 40,000 MT per annum.**

Our commitment to excellence provides unmatched product quality, coupled with speed, safety and superior services. We are recognized for our Quality Production and Excellent Customer Service. The highly reliable products offered by us are valued by the clients for their excellence and best quality. Recurrent orders from our clients stands as the testimony for our quality assurance. In addition, competitive prices of our products have facilitated us to gain the valuable confidence of our clients. Our unremitting success is an outcome of our ethical values, tenacity and transparency in all aspects of business.
